

Dear Parent,

We are pleased to announce the launch of our new School Communicator. This exciting new tool streams all the latest school news and information straight to your computer desktop, keeping you updated on your child's school life and activities. We encourage all of you to install the school communicator. Here is some information to help you get started. We look forward to hearing your feedback!

A better way to communicate

How it works: The School Communicator keeps parents up-to-date with the latest school news. Once installed, your Communicator will automatically update as new information gets added by the school.

The Benefits:

- The latest school news straight to your desktop.
- Quick, simple installation process
- Automatic updates
- Daily pop-up reminders
- Minimum bandwidth usage
- Safe and Secure

Contact our Support team if you experience any problems during Installation. [See back for details]

Personalise your communicator to receive the information you want:

You can select which news and calendar information you'd like to receive. Simply open your 'personalise' tab on the right and select your child's unique grade and class.

Your School Communicator also contains a photo gallery, contact list and a range of useful links and documents.

It's secure.

Your personal information and registration details remain private and will only be used by the school. Our security software ensures that your personal information are not sold or shared with any third party.

How will the School Communicator affect your computer?

The School Communicator is a lightweight application and should have no noticeable impact on your computer.

Advertising on the communicator

The School Communicator is being used by hundreds of schools and companies, offering business owners and brands a unique opportunity to promote their brand or product.
